

ultra mini money

- on sale, in TJ Max, pretty color, Kate Spade - she like it
has cap around for wrist reddish purple
- other options - weird - awkward size
has strange/ugly designs (unlike Kate Spade)

Size - bulky - like handbag
(looking for new one for her)

it was only
nice
thing they
had

- better than previous wallet? → no she wants old wallet back
- what would you change - how ^{wallet} zipper opens (possibly to zipper)
more slots - more compact tho.
~~more space~~

- dark gray blue
- fo leather.

- new ideal pocketbook

- invent tech that will help design
- define materials

avigail ideal wallet

207

- The material - a grayish blue, Po leather, basket weave texture.

as well as a flap over with card slots that close with buttons

The wallet will have open with a zipper going around the frame of the wallet the wallet will have card slots on both sides opening the wallet, black inside.

there will also be one divider that will just be full of card slots x 1 ID slot. a divider that a zipper opens folder

will be a ring around for wrist connected, as well as grayish blue.
